Full Service Custom Printing Solutions

March 4, 2019

To Our Valued Customers,

Data Graphics, Inc. is pleased to announce that after a review of our procurement and production processes, all of our manufactured products are compliant with the European Union RoHS 2015/863/EU Directive(also known as RoHS 3), as well as EU REACH Directive 1907/2006 (SVHC 197) including the most recent release. Additionally, Data Graphics is in compliance with Proposition 65.

Data Graphics along with our vendors have certified that all of our products do not contain, or have acceptable levels of the hazardous substances as defined by the European Union Directive which include the following:

Heavy metals and heavy metal compounds of lead (Pb), cadmium (Cd), mercury (Hg), hexavalent chromium (Cr VI), and flame retardant systems based on polybrominated biphenyls (PBB) and polybrominated diphenyl ethers (PBDE), including deca-BDE, as well as Bis phthalate, Benzyl butyl phthalate, Dibutyl phthalate, and Diisobutyl phthalate are not employed in the manufacturing of Data Graphics products.

Due to the level of our "customer specific parts," this letter serves as the certification for everything we manufacture. We at Data Graphics, Inc. appreciate your business and will continue to support you for years to come. Thank you again for putting your trust with us for your label needs.

Sincerely,

Brad Butterstein
President
