The Results Are IN....

The Data Graphics Annual Customer Satisfaction Survey results are in! Again, we are pleasantly surprised with the results, as well as those who took the time to make special comments. We value everyone's feedback and will be more successful because of you! The two winners of the survey have been notified. Thanks again, we appreciate everyone who took the time to complete the survey.

Buffy

Data Graphics 30th year just keeps getting better! Our business continues to grow as we take care of our existing customers and earn new customers along the way. We are reminded daily that our customers are our most vital asset, without our customers we would not and could not exist in business. So thanks again to all of the DG customers who give us a reason to show up every day! Pictured to the right are a few of our sales team members: Buffy, Crystal and Jacquelyn that decided to take on Halloween. Everyone have a safe and Happy Halloween.

UID, No Problem!

Do you have a requirement to meet MIL-STD-130? Make sure you reach out to your DG Sales Representative to get a quote. The standard and requirements are constantly updated and DG can help make this label need much easier. Our sales team has over 75 years experience

in the label printing industry and can make any label requirement seem effortless. DG has many materials and thicknesses, not to mention an adhesive for every application for your UID and/or barcode need. Our lead time is 2 weeks or less, we provide 100% verification and validation (if required) and a quality product. Consider DG for your next UID barcode requirement.
